

*Randy DeBiase Sr.*

Randy was a quiet, "gentle giant", who spent too few years on this earth. His greatest moments, ones that would make his eyes sparkle, were talking about his children and helping other youth in our community realize their potential. He was a Scoutmaster for troop 72 and was very active in his church community here at SUMC.

He grew up in a large family learning to take care of others and adored his own family (children Amanda, Becky and Randy Jr. and wife Barbara). He loved drag racing and cooking (always in the kitchen at every church event)- but most of all he looked forward to leading a group of young adults on a week long mission each year to help the poor and needy rebuild their lives (ASP). Randy was an inspiration to the kids. He gave so much of himself so humbly and without fanfare. He always did and gave to inspire and help others.

Randy poured his heart and soul into everything he did, teaching his (and others') children how good it feels to help others. Thank you Randy...

**Appalachia Service Project (ASP):**

Appalachia Service Project (ASP) provides one of the most rewarding structured service opportunities in the nation -- bringing thousands of volunteers from around the country to rural Central Appalachia to repair homes for low-income families. But ASP is more than just a home building program. Yes, Appalachia's poorest families urgently need your help, but they can help change your life too. Because when you change the lives of others, they have a way of changing you.

Our goal is to make homes "warmer, safer and drier" for needy families. For more than 40 years, ASP has done exactly that for thousands of families. In doing the work we also give the families hope for a better future accepting the families we help as they are and where they are.
