

## A TRIBUTE TO MARILYN GARDNER

Marilyn Gardner, a long-time member of our church, was known for her compassion, generosity, and dedication to each task that she took on. For at least the last 20 years she was the stalwart leader of volunteers that have planted and maintained the gardens surrounding our church. Her legacy now lives on with a plaque located in the back gardens near the SUMC Preschool doors. We thank God for the many gifts Marilyn gave to this church during her life.

Thanks to Marilyn Burgeson for installing this memorial plaque in honor of Marilyn Gardner's contribution to the beauty of our church gardens.
